The drama campers involved in this program prepare/create the sets, learn hair/makeup techniques, work on costumes, rehearse and more. In just one week everything is pulled together by the organization, the campers and their families. It is a monumental task that is highly rewarding!

To visit us the week of preparations for a behind the scenes look or on the night of the performances, please use our media contact information above.

For the safety of all campers involved, all visitors coming during the preparation of these performances must contact Barb for an appointment.
