

His Word Theater Presents

The Tortoise and the Hare is an adorable children's musical which addresses the problem of pride and how we must always remember who gave us our talents and abilities. In this story, Hare believes he is clearly the fastest animal in the forest. But everyone is surprised when the most unlikely challenger steps forward - the Tortoise! Does "slow and steady" always win the race, or will the Hare's speed leave the Tortoise in the dust?

Friday, September 26th at 7 p.m.
