

His Word Theater Presents

When the Cannonball Express breaks down on the way to deliver its load of toys, dolls, and clowns to the children in the town, who will help it reach its final destination? Will the Tired Old Engine, the Proud New Engine, or the most unlikely of helpers, the Tiny Train, assist the broken down Express?

This nostalgic children's classic comes alive in vibrant color on the stage with this delightful musical which teaches timeless truths about hard work, humility, and never giving up!
